

Dumlao meets the Security Ed Challenge

Congratulation to Elmer Dumlao of Fluor Hanford, the winner of the March 3 Security Ed Challenge. Dumlao won a Mini MagLight for correctly identifying potential precursors of a terrorist threat:

- Surveillance, sketching, photographing or videotaping our property and building entrances
- Unexplained loss of security badges, uniforms or other “identity theft” items
- Requests for current information on security operations.

Security Ed would like to remind all personnel to stay alert. If you have a security concern you can contact your security representative or the Hanford Patrol at 373-3800. Pacific Northwest National Laboratory personnel can call their single point of contact at 375-2500.
